Dear Friends,

The incredible support and generosity displayed at Big Night 2020 Washed Ashore demonstrated the commitment our community has to change the lives of all children for the better. We are thrilled to announce that **Big Night 2020 raised \$1.75 million to defend the potential of youth across Eastern Massachusetts.**

A lively crowd escaped the winter blues and warmed up winter at the House of Blues for a night of beachy and breezy delights and performances by co-headliners **Barenaked Ladies** and **The Revivalists**, and Boston's own **French Lick**.

Our mission to inspire, engage and transform Eastern Massachusetts communities was never stronger than during the touching tribute to **Scott Hamilton**, a 10-year Big Brother to Little Brother Malik, who recently lost his battle with ALS. We posthumously honored Scott with the **James J. Pallotta Award** for his dedication to furthering the important work as a Big Brother, advocate, donor and longtime participant of the Rodman Ride for Kids on behalf of our organization. Scott's daughter Lauren shared her father's uplifting story of the power of our programs and how a one-on-one mentoring relationship really can change the trajectory of a child's life. We would like to thank Scott's family, Little Brother Malik, Malik's mom, Michaelle, Scott's partner Rachel and Scott's children Lauren and David for accepting the award on Scott's behalf and for allowing us to honor and recognize Scott's character, commitment and profound contributions to our agency.

To everyone at Big Night – and those that celebrated with us in spirit – your contributions and support allow us to defend the potential of 4,000 youth annually. **We currently have over 1,000 kids on our waiting list who want to be matched with a Big Brother or Big Sister.** To get involved, visit [www.emassbigs.org](http://www.emassbigs.org).
