BLOOMING BIDS

Blooming Bids for Kids has been an instrumental resource in growing our program on-island. In the last five years, Blooming Bids for Kids has allowed us to:

- Make 45 NEW Big and Little friendships (and counting!)
- Serve over 75 children on-island in a high quality mentoring friendship with a caring adult volunteer
- Raise over \$150,000 allowing for the creation of a full-time Martha's Vineyard Program Coordinator in 2018
- Become one of the leading regions in the U.S. with an average match length of 4 years! (National average is 1.3 years)

OUR MISSION

Big Brothers Big Sisters of Cape Cod & the Islands' mission is to partner with under-resourced families to provide their children with transformational, one-to-one professionally supported relationships with caring adult mentors so that their children will thrive.

Our agency is nearly 100% donor supported and relies on the generosity of people like you to sustain our programs. Research shows that children in our program do better in school, gain more confidence, and stay on the path to reach their potential.
