

Join us for a Summer Social hosted by the Young Professionals Group, which will be held on **Thursday, June 8th from 6-9 p.m.** Enjoy a fun-filled night on the rooftop of **gOFS** for networking, lawn games, and learning more about our mission and upcoming initiatives serving the youth and families of Boston and beyond!

## OUR MISSION

Big Brothers Big Sisters of Eastern Massachusetts's (BBBSEM) vision is to inspire, engage, and transform the communities of Eastern Massachusetts by helping youth achieve their fullest potential, contributing to healthies families, schools, brighter futures and stronger communities. Since 1974, Big Brothers Big Sisters has matched thousands of local children in Eastern Massachusetts with caring responsible adults. Your support of this mission will help us match more "Littles" with "Bigs" and improve the health and well-being of our community.

## MENTORING IS MORE IMPORTANT THAN EVER RIGHT NOW

The pandemic has had a significant impact on the young people in our communities. Our youth have lost critical socio-emotional skills, are facing mental health challenges, and are falling well behind historical levels of educational attainment. As a result, the number of youth referred to BBBSEM is at an all-time high. At no time in the organization's 48+ year history has the need for mentorship been more urgent.
